EXPERIENCE

Project Member, *Inside Society, IIT Jodhpur*

05/2025 – Present
Jodhpur

EDUCATION

B.Tech in Computer Science and Engineering, *Indian Institute of Technology Jodhpur*

CGPA/Percentage | Year

7.82/10 (Current)

2024 – 2028
Jodhpur

Senior Secondary, *Sri Chaitanya college*

98.5%

2024
Madhapur

Secondary, *Sri Chaitanya school*

10/10

2019
Karimnagar

SKILLS

Technical Skills

Languages: C, C++, Python, GdScript, HTML, CSS and Javascript

Tools: Visual Studio Code, Git (Basic), GitHub

Coursework: Programming Fundamentals, Problem Solving, Data Structures and algorithms

COURSE WORK

Maths and Computer Science, *Indian Institute of Technology Jodhpur*

Linear Algebra, Basic Calculus, Introduction to Computer Science, Game Development, Web Development

ACCOMPLISHMENTS

Volunteer, *Varchas and Prometeo*

Assisted in organizing tech and sports fests. Gained experience in event planning and public speaking.

2024

Project Member, *Inside Society, IIT Jodhpur*

2025

PROJECTS

Smart Dustbin, *Electrical Department, IIT Jodhpur*

Dr. Rajlaxmi chouhan

- Built an automatic dustbin using Arduino Uno and ultrasonic sensor for touchless lid operation. Learned basics of embedded systems, sensor integration, and real-time motion detection.

10/2024 – 11/2024

Matt the Matrix Guy, *Computer Science, IIT Jodhpur*

Dr. Richa Singh

- Built a modular C program to perform dynamic matrix operations including addition, multiplication, determinant, trace, cofactor, and adjoint. Implemented file storage for results and dynamic memory allocation for handling matrices of varying sizes.

09/2024 – 11/2024

2D Game, *Inside Society, IIT Jodhpur*

- I have taken a part in UI/UX and used Godot tool. I have mastered skills in GdScript

05/2025 – Present
